

Sample Tax Bill Model:

Your District's School Tax Rate based on budget voted (per \$100 of property value)	Your Homestead Property Value based on your Town's Grand List	Your Town's Common Level of Appraisal as Calculated by the State	Your Homestead Education Tax Due
1.539	X \$325,700	/ 98.83%	5,071.86

Note that this math is not quite so simple that one can type it into their calculator to confirm it without the math background, but maybe could be further simplified.
