

Vermont Pharmacy Programs

Vermont has several pharmacy programs to help uninsured Vermonters and those enrolled in Medicare pay for prescription medications. Eligibility for these programs is based on income, age, and disability. In the past, the pharmacy application has been included in the state tax packet; however, due to updates and the size of the application, the pharmacy application is no longer being included in tax packets.

If you **ARE ALREADY ENROLLED** in one of the state pharmacy programs (VPharm, VHAP Pharmacy, VScript, or Healthy Vermonters Program), ***you do not need to do anything at this time.*** We will send you an application when your current coverage needs to be reviewed.

If you **ARE NOT ALREADY ENROLLED** in one of the state pharmacy programs and you want to apply, **you can do one of the following:**

- Complete the section below and return it in the tax department's envelope provided and we will mail you an application; or
- Call Member Services for **Green Mountain Care** at **1-800-250-8427** to request an application be mailed to you; or
- Go to www.GreenMountainCare.org to see if you qualify and to print an application.
