Form WH-435
Rev. 10/12

FORM WH-435 INSTRUCTIONS

If no payment is due, DO NOT file Form WH-435.

Notes:

Pass-through entities are required to make estimated income tax payments on behalf of non-Vermont-resident shareholders, partners, or members. Estimated payments are due quarterly on the 15th day of the 4th, 6th, and 9th month of the fiscal year, and the 1st month of the following year (April, June, September, and January for a calendar-year entity).

The total required annual payment is calculated by applying the current rate of 6.8% to the VT-source income (including guaranteed partnership payments) distributed or allocable to nonresident shareholders, partners, or members.

A "safe harbor catch-up" payment may be made at the original (not extended) due date for the entity return. For "catch-up" payments, be sure to indicate the correct fiscal year to which the payment should be credited. See TB-05 for the safe-harbor calculation method. **DO NOT MAKE CATCH-UP PAYMENTS AFTER THE ORIGINAL DUE DATE FOR THE ENTITY RETURN.**

Starting with payments made in calendar year 2009, you are not required to provide detailed distribution information with each Form WH-435 payment. All estimated payments will be distributed in proportion to income distribution as reported on the annual Vermont Business Income Tax Return (Form BI-471) and required schedules including Schedules K-1VT.

Review 32 V.S.A. §§5914 & 5920, and Technical Bulletins 05 & 06 for complete details. Information is available at <http://tax.vermont.gov>
