

# Know Your Current Use Program Application Forms

***Using the correct forms will smooth processing to meet application deadlines***

New applicants for and current participants in the Current Use Program administered by the Division of Property Valuation and Review may facilitate the prompt and efficient administration of the program by using the correct forms and payment vouchers. Using the wrong forms or sending in a payment without a payment voucher may delay your application or result in a denial due to missed deadlines. To ensure you have the correct forms, please refer to the guide below. If you have questions about any of the Current Use forms or application process, please call 802-828-5860, option 1.

## **Form CU-301, Use Value Appraisal Application for Agricultural Land, Forest Land, Conservation Land & Farm Buildings**

You must use Form CU-301 for the following:

- New applications for the Current Use Program
- Applications to add land to a parcel of land currently enrolled in the program
- Transfers of land currently enrolled in the program to a new owner

Please read all instructions carefully. You may list up to three owners on Form CU-301. Be sure to designate the "Primary Contact" as that is the person who will receive all communications from the program regarding the application. All owners must sign the application. **The application fee is \$90**, which must be submitted with Form CU-307, Current Use Payment Voucher.

If you are applying to enroll forest or conservation land, please make sure maps and plans are submitted to the appropriate county forester. If you are applying to enroll agricultural land, you may be required to submit additional information. The instructions on the application will help you identify any additional information you should submit with your application.

## **Form CU-302, Additional Owners Form for Use Value Appraisal Application**

If there are more than three owners of the parcel of land described in the application, you must use Form CU-302 to list additional owners. Each form allows you to list up to nine additional owners. Complete as many forms as needed to include all owners. All owners must sign the application. **There is an additional fee of \$10 for each CU-302 submitted.**

**The additional fee is passed along to the town where the application is recorded.**

## **Form CU-307, Current Use Payment Voucher**

All payments must be accompanied by Form CU-307, Current Use Payment Voucher. This ensures that your payment is credited to the correct application during processing. If you owe an application fee for the CU-301 and recording fee(s) for the CU-302, you may include both fees in a single check.
