**NOTE:** Use VT Income Tax Form IN-111, not this form, to report income of a decedent from the beginning of the tax year to the date of death.

If you have any questions, contact the VT Department of Taxes at (802) 828-6820.

### DEFINITIONS

**Resident Estate** means the estate of a decedent who was domiciled in Vermont at the time of death.

**VT Income of a Resident Estate or Trust** means the adjusted gross income of a resident less income exempted from state taxation under the laws of the United States.

**VT Income of a Nonresident Estate or Trust** means the sum of the following items, to the extent the items are required to be included in Federal adjusted gross income:

- Rents and royalties from ownership of property located in VT
- Gains from the sale or exchange of VT property including the sale of timber or timber rights
- Wages, salaries, commissions or other income received for services performed in VT
- Income from every business, trade, profession or occupation conducted in VT, including money received (1) under an agreement not to compete with a business operation in VT, (2) for goodwill associated with the sale of a VT business, or (3) for contractual services associated with the sale of a VT business, unless it is shown that the compensation for services does not constitute income from the sale of the business
- VT income previously deferred under a non-qualified deferred compensation plan and income derived from such previously deferred income
- Lottery winnings from ticket(s) purchased in VT for VT Lottery, Tri-State Lottery, PowerBall or Mega Millions.

**VT Income of Part-Year Resident Estate or Trust** means any income described in VT Income of a Nonresident Estate or Trust and all items earned or received during the period of VT residency described in VT Income of a Resident Estate or Trust.

**VT Taxable Income** means Federal taxable income with (1) the addition of interest, dividends or other distributions from non-VT state and local obligations to the extent this income is excluded from Federal adjusted gross income; the capital gain deferral in a previous year for investment in a qualified business upon disposition of the taxpayer's interest in the business; the

difference between depreciation using standard MACRS on assets qualified for 2011 Federal bonus depreciation and the reported Federal depreciation on those qualified assets as a result of VT disallowance of the bonus depreciation; state and local income taxes deduction on Form 1041, line 11 in excess of \$5,000 with (2) the subtraction of interest income from U.S. government obligations to the extent such income is included in Federal adjusted gross income; capital gains exclusion; and as a result of VT disallowance of the bonus depreciation, the difference between depreciation using standard MACRS on assets qualified for 2008, 2009 and 2010 Federal bonus depreciation and the reported Federal depreciation on those qualified assets.

**VT Trust** A trust is a VT trust if the settlor was a VT resident when the trust became irrevocable; or, if the trust is still revocable and the settlor was a VT resident when the trust was created. Also, a trust is a VT trust if the settlor was domiciled in VT at his/her death.

### EXTENSION TO FILE THE VT FIDUCIARY TAX RETURN

To receive a five-month extension of time to file the fiduciary tax return, file a copy of the Federal extension request or a letter requesting an extension of time on or before the due date. **NOTE:** An extension of time to file the Vermont Fiduciary Tax Return does not extend the due date for the tax payment. Interest and penalty accrue on any tax owed from the due date to receipt of payment.

**LATE-FILED RETURNS** - Returns without an extension of time may be filed up to 60 days after the due date without a late file penalty charge. Returns without an extension filed on the 61st day after the due date or later will be charged a \$50 late file penalty. Returns with an extension filed on or before the extended due date are not charged a late file penalty. However, returns with an extension filed one or more days after the extended due date are charged a \$50 late file penalty. **NOTE:** The late file penalty applies even if the return results in a refund or no tax due.

**TAX DUE** - Returns with tax due that are filed after the due date are assessed interest and late payment penalty charges on the unpaid tax. Interest and penalty accrues from the due date until the date paid. Interest is 0.4% per month. Penalty is 1% per month or portion of month, up to 25% of the unpaid tax.

### AMENDING OR CORRECTING VT FIDUCIARY TAX RETURN INFORMATION

VT law requires an amended VT return be filed within 60 days of knowledge of the change, or receipt of the notice of change by IRS, or the filing of an amended return with the IRS. A late file penalty will be assessed if the amended VT return is not filed within the 60 days.

- **Change to VT income** An amended return is due even if the change is not the result of filing an amended Federal tax return or an adjustment made by the Internal Revenue Service; for example, the amount of income taxable to VT is different from the amount originally reported. The amended return must be filed within 3 years of the due date of the return, including extensions.
- **Change of Federal tax information by IRS** If the IRS adjusted the Federal taxable income, capital gains amount or any other change that affects the VT tax, an amended VT Fiduciary tax return must be filed within 60 days of notification by the IRS, even if this is past the 3-year limit. Attach a copy of all Federal forms showing changes to the VT amended return. The IRS and VT Department of Taxes routinely share information. Differences in the information on file with the IRS and the VT Department of Taxes, other than those allowed by VT law, are identified and may be audited.

- **Filing an Amended Federal tax return** Filing an amended VT return is required within 60 days of filing an amended return with the Internal Revenue Service if VT income is affected.

**Line 2b: Federal Bonus Depreciation** The Small Business Jobs Act of 2010 extended the bonus depreciation to property put into service in 2011. VT does not recognize the bonus depreciation for VT income tax purposes. The depreciation must be recalculated without the bonus depreciation using standard MACRS method. Enter the difference between the depreciation calculated by standard MACRS methods and the depreciation calculated using the Federal bonus depreciation for assets placed in service in 2011. Go to <http://tax.vermont.gov> "Publications" to see Technical Bulletin 44 for more information on calculating the amount to add back to taxable income.

**Supporting Documentation Required** No attachment to return required. However, obtain statements for the taxpayer's records in the event the Department requests such documentation.

Acceptable statements need to show the sources of U.S. government interest income and the percentage from each source. Summary information from a K-1, or just a statement "U.S. government securities" without further identification is not acceptable.

**NOTE: If U.S. interest is distributed on Line 18 of the Federal 1041, the deduction is lost.**
