Owners of agricultural land or buildings enrolled in the Use Value Appraisal Program ("Current Use Program") are required by statute to certify annually that their agricultural land and farm buildings meet the requirements for enrollment at the time of certification. This certification must be made under oath to the Commissioner of Taxes. The certification form on the reverse side has been partially completed for your specific parcel. A separate form is created for each parcel and for those parcels that cross town or city lines.

This form must be returned on or before November 1, 2019, to the Current Use Program, PO Box 1499, Montpelier, VT 05601-1499. Alternately, you can complete and submit the form online through the eCuse portal at https://secure.vermont.gov/TAX/ecuse/.

Below is a summary of the statutory definitions of agricultural land and farm buildings for your reference. The complete statutory requirements can be found in 32 Vermont Statutes Annotated (V.S.A.) Chapter 124 Agriculture and Forest Land.

**Agricultural land** is land that is in active use to grow hay or cultivate crops, pasture livestock, cultivate trees bearing edible fruit, produce an annual maple product, or buffer zones as defined and required in the Agency of Agriculture, Food, and Markets' Required Agricultural Practices rule adopted under 6 V.S.A. chapter 215, and that is 25 acres or more in size. Land less than 25 acres is considered agricultural land if: (1) it is owned by a farmer and is part of the overall farm unit; (2) it is used by a farmer as part of his or her farming operation under written lease for at least three years; or (3) it has produced an annual gross income of at least $2,000 from the sale of farm crops in one of two, or three of the five, calendar years preceding.

**Farm buildings** are farm buildings and other farm improvements that are: (1) actively used by a “farmer” as part of a farming operation; (2) owned by a “farmer” or leased to a “farmer” under a written lease for a term of three years or more; and (3) situated on enrolled land or a housesite adjoining enrolled land. A “farmer” is a person: (A) who earns at least one-half of the farmer’s annual gross income from the business of farming as that term is defined in Regulation 1.175-3 issued under the Internal Revenue Code of 1986; or (B) who produces farm crops that are processed in a farm facility as set forth in 32 V.S.A. § 3752(7)(B).

If the land and/or buildings below no longer meet the requirements for enrollment, you must submit Form LV-314, Request for Withdrawal from the Use Value Appraisal Program. If you are completing this form using the eCuse online system, note that you will be resubmitting Form LV-314 separately or if you are submitting a paper copy of this form, include Form LV-314 with the Certification. Go to www.tax.vermont.gov to download Form LV-314.

If you do not submit this form by the deadline, your agricultural land and buildings may be withdrawn from the Current Use Program for the 2020 property tax year and you will be taxed at the assessed value of your land and buildings instead of the use value.
