GENERAL INFORMATION

What is the PACT Act?

On June 29, 2010, the Prevent All Cigarette Trafficking Act (PACT Act) went into effect. This federal law amends the Jenkins Act, 15 U.S.C. Chapter 10A, which governs the collection of taxes on, and trafficking in, cigarettes and smokeless tobacco. The PACT Act revised definitions in the Jenkins Act, provided new requirements for registration, reporting, recordkeeping, and increased penalties for criminal violations. The PACT Act also generally prohibits mailing cigarettes and smokeless tobacco through the U.S. Postal Service.

What tobacco products are covered under the PACT Act?

Cigarettes and smokeless tobacco are covered.

According to 18 U.S.C. 2341 and 26 U.S.C. 5702, cigarettes include:

- Any roll of tobacco wrapped in paper or in any substance not containing tobacco.
- Any roll of tobacco wrapped in any substance containing tobacco which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling is likely to be offered to, or purchased by, consumers as a cigarette as described in the bullet above.
- Roll-your-own tobacco.

Smokeless tobacco includes:

- Tobacco products that are non-combustible (primarily various forms of chewing tobacco, snuff, snus, etc.)

Who must file this report?

You must file this report if you advertise, offer for sale, sell, transfer or ship (for profit) roll-your-own and/or smokeless tobacco in interstate commerce. The roll-your-own and/or smokeless tobacco must be shipped into another state, locality, or Indian nation that taxes the sale or use of roll your-own and/or smokeless tobacco.

When do I file?

The report is due no later than the 10th day of each calendar month for shipments during the previous calendar month.
