Part I Additions to Federal Adjusted Gross Income

Interest and dividend income from non-Vermont state and local obligations are taxable in Vermont. A Vermont obligation is one from the state of Vermont or a Vermont municipality.

- Line 1** Enter the total interest and dividend income received from all state and local obligations exempted from federal tax as reported on federal Form 1040, U.S. Individual Income Tax Return.
- Line 2** Enter the interest and dividend income from Vermont obligations. This may have been paid directly to you or through a mutual fund or other legal entity that invests in Vermont state and local obligations. If you receive this income from a mutual fund that has only a portion of its assets invested in Vermont state and local obligations, enter only the amount for the Vermont obligation(s).
