Be on Guard against Identity Theft and Tax Scams

Identity theft, tax refund fraud, and similar tax scams continue to target taxpayers in Vermont. Taxpayers have reported emails and phone calls from people posing as employees of the Internal Revenue Service (IRS) and the Vermont Department of Taxes. Some scammers are clever enough to pose as their victims' tax preparers to obtain private information. A common ploy scammers use is to falsely claim taxes are owed and demand immediate payment using threats and bullying. Scammers often target the elderly using these tactics.

How to protect yourself from becoming a victim

- Never give out personal information unless you are sure of the identity of the person requesting it.
- If you suspect that an email or phone call is fraudulent, do not engage in conversation. Contact the Department at (802) 828-2865 or 1-866-828-2865 (toll-free) to verify an email or phone call.

How to report fraud

- Report suspected fraud immediately to the Vermont Department of Taxes and the IRS. Information about how to report fraud is available on the Department website at tax.vermont.gov/identity-theft.
- Suspected fraud also should be reported to the Vermont Attorney General's Consumer Assistance Program at 1-800-649-2424 (toll-free).

General Instructions

Requirement to File a Vermont Income Tax Return

A 2024 Vermont Income Tax Return must be filed by all full-year or part-year Vermont residents or nonresidents if you are required to file a 2024 federal income tax return, **AND**

- You earned or received more than \$100 in Vermont income,

OR

- You earned or received gross income of more than \$1,000 as a nonresident. Read Vermont law at **32 V.S.A. § 5861** and **§ 5823(b)** for information on sources of income.

Visit our website for more information.

Due Date

The 2024 Vermont Income Tax Return must be filed by April 15, 2025.

Timely Filing

Tax returns mailed through the U.S. Post Office are considered on time if we receive them at the Department **within three business days after the due date**. Electronic filings transmitted on the due date are on time if the Department receives them by midnight of the due date.

Late Filing Penalty and Interest after the April Due Date

A Vermont income tax return can be filed up to 60 days after April 15, 2025, even if you have not filed an extension of time to file. However, if you file the return on the 61st day after the due date or later, the Department will assess a \$50 late file penalty. Late payment penalty and interest accrue after the April 15th due date.

Use Whole Dollars

Round entries to the nearest whole dollar. The cents are preprinted with zeroes.

Use Only Blue or Black Ink on Paper Forms

If you are completing a paper form, use only blue or black ink. Please print legibly. If the Department cannot read your forms, we will not process them and they will be considered unfiled. You will receive a letter to refile. Then, you must resubmit properly completed, legible returns. See “Forms That Cannot Be Processed” below for more information.

Filing an Extension for the Vermont Income Tax Return

If a federal extension was filed, you are no longer required to file a separate extension with the State of Vermont. However, if you are making an extension payment, you must file Form IN-151 with your payment. An extension only allows additional time to file your income tax return. It does not extend the due date for your tax payment. Interest and penalty accrue on any tax due from April 16 to the date the Department receives your payment of tax. Extensions can be filed online at myVTax.vermont.gov.

Due dates: Extension requiring payments must be filed by April 15, 2025.

Extended returns must be filed by Oct. 15, 2025.

NOTE: There is no extension of time to file a homestead declaration or property tax credit.

Late Filing Penalty and Interest after the Extended Due Date

If you have filed an extension but do not file by the Oct. 15, 2025, extended due date, the Department will charge a \$50 late file penalty. Late payment penalty and interest accrue after the April due date. **NOTE:** The late filing penalty applies regardless if you have a refund or no tax is due. If any tax is due and is not paid by the April 15 due date, late payment penalty and interest charges also apply.

Incomplete Forms

If information necessary to support the request for a credit is missing, your filing may be processed but the credit denied. This may result in a bill or reduced refund. The Department will send you a letter requesting the missing information and give you an opportunity to supply what we've requested. The credit will not be processed until the Department receives the missing document(s) or information.

Forms That Cannot Be Processed

If your filing is not acceptable for processing, the Department will notify you by letter, and you will be required to submit it again. The date you resubmit the forms becomes the filing date of your return. The Department may assess a \$25 processing fee to partially cover the cost of taking steps to notify you in addition to our normal processing procedures. Examples of unacceptable filings include, but are not limited to, the following: forms marked “draft” or “do not file,” forms not pre-approved by the Department, photocopies of forms, reduced or enlarged forms, faxed forms, forms not written in blue or black ink, forms generated from different sources, or returns emailed to the Department.

Homestead Declaration

Under Vermont law, every Vermont resident whose property meets the definition of a “homestead” must file a Homestead Declaration annually. A homestead is the principal dwelling and parcel of land surrounding the dwelling. It is your responsibility as the property owner to claim the property as a homestead if you meet, or expect to meet, the following requirements: **1)** you are a Vermont resident, and **2)** you own and occupy a homestead as your domicile as of April 1, 2025. **NOTE:** If you meet these requirements but your homestead is leased to a tenant on April 1, 2025,

you may still claim it as a homestead if it is not leased for more than 182 days in the calendar year. For definitions of “domicile,” “resident,” and “nonresident,” see our website.

Due date: The Homestead Declaration must be filed by April 15, 2025, to avoid late file penalties that may be assessed by the town.

Property Tax Credit Claim

Vermont homeowners may be eligible for a credit against their 2025/2026 Vermont property tax. The 2025 Property Tax Credit is based on 2024 household income and 2024/2025 property taxes. A homeowner may be eligible for a credit if **all four** of the following requirements are met:

1. Filed a valid Homestead Declaration
2. Domiciled in Vermont all of calendar year 2024
3. Not claimed as a dependent by another taxpayer for tax year 2024
4. Had household income in 2024 up to \$115,000 (Determine household income by completing Schedule HI-144.)

Due date: The Property Tax Credit Claim due date is April 15, 2025, but may be late filed up to Oct. 15, 2025. Generally, claims cannot be accepted after Oct. 15, 2025.

Renter Credit Claim

Vermont renters who were residents of the state during 2024 may be eligible for credit depending on their income, family size, and county of residency. A renter may be eligible for a credit if **all three** of the following requirements are met:

1. Domiciled in Vermont for the entire calendar year 2024
2. Not claimed in 2024 as a dependent of another taxpayer
3. Rented in Vermont for at least six months in 2024

Due date: The Renter Credit Claim due date is April 15, 2025, but can be late filed up to Oct. 15, 2025, with no penalty for late filing.

Frequently Asked Questions

How do I claim a refund on my Vermont withholding or estimated tax payments?

You must file a Vermont Income Tax Return to claim a refund of Vermont withholding or estimated tax payments. You have up to three years from the due date of the return, including extensions, to file a claim for overpayment of tax due.

I received a request for more information. Did I do something wrong?

We may ask you to supply additional information to explain items on your Vermont income tax return. A request for more information does not necessarily mean that you filed improperly or that you have been selected for an audit. This type of request is a routine part of processing. **It is important that you respond promptly with the requested information.** Your return cannot be processed until the Department receives the information requested. For faster processing time, you may submit the requested information at myVTax.vermont.gov.

How do I correct a mistake or add information to my Vermont Income Tax Return?

You are required to file an amended Vermont return within 60 days of the following: **1)** you become aware of a change to your Vermont income; **2)** you file an amended return with the IRS; or **3)** you receive a notice of change from the IRS.

Check the “AMENDED” box on Form IN-111 when filing an amended return for the applicable tax year. Please include the following documents with your amended return:

1. A copy of federal Form 1040X, Amended U.S. Individual Income Tax Return
2. Your amended federal Form 1040, U.S. Individual Income Tax Return, with all schedules
3. Your amended Vermont Form IN-111 with all schedules even if there is no change on the schedules

NOTE: If you filed a Property Tax Credit Claim, you must also amend your income on Schedule HI-144, Household Income.

I cannot pay my tax debt due to financial difficulties. What can I do?

If you cannot pay your entire Vermont income tax due, file your return on time and pay as much as you can. Once the Department has issued the first notice of intent to assess for underpayment of tax you may apply for a payment plan on myVTax.vermont.gov or you can write the Department to apply for a payment plan.

Mail to: ATTN: Compliance
Vermont Department of Taxes
PO Box 429
Montpelier, VT 05601-0429

Do not include your written request with your return.

We may ask you for financial information to determine the appropriate payment plan. Without a payment plan, unpaid income tax will result in collection action which may include the imposition of liens, court action, wage garnishment, bank levies, revocation of your business and/or professional license(s), imposition of a bond on your authority to do business, and the assignment of your debt to a private collection agency.

Can my refund be taken to pay another debt?

Your income tax refund will be taken to pay a bill that you or your spouse/civil union partner owe to the Vermont Department of Taxes and/or other government agencies such as the Internal Revenue Service, Office of Child Support, Department of Corrections, Vermont courts, student loan agencies, Vermont state colleges, and tax agencies of other states. This is known as an “offset.” We will notify you in writing if your refund is used as an offset to pay an outstanding debt.

Am I responsible for a tax debt owed by my spouse/civil union partner?

If you file a joint return with your spouse/civil union partner and believe tax debt owed by your spouse/civil union partner may reduce your portion of the refund, you may file an “injured spouse” claim. For more information, visit tax.vermont.gov/individuals/injured-spouse.

To make an injured spouse claim when filing a paper return, please send the following documents *before you file your return*:

1. A signed letter with details of your claim
2. Copy of federal Form 8379 (if you filed one with the IRS)
3. Copies of federal Schedules C and SE (if you filed one with the IRS)
4. Form 1099G for unemployment if received in 2024

Mail to: ATTN: Injured Spouse Unit

What is Use Tax?

When a seller does not charge the buyer Vermont Sales Tax on an item taxable in Vermont, the buyer must pay Vermont Use Tax. Non-taxable items such as food and clothing are excluded. Taxable items sold over the internet, by mail-order, by phone, or bought out-of-state and used in Vermont generally qualify. Use tax applies whether you are a resident or nonresident. The use tax rate is the same as the sales tax rate: 6%.

If you didn't keep records of qualifying purchases, Vermont offers an option for estimating them in Part 1. If you did keep records, you should use Part 2. The total for any purchases that cost over \$1,000 each needs to be reported on Line 3a.

Please note: Act 73 of 2017 requires vendors to report certain transactions on which no sales tax was paid to the Vermont Department of Taxes. Included in these reports is buyer information which will be used in compliance efforts.

NOTE: Businesses must report use tax on Form SUT-451, Sales and Use Tax Return, or on Form SU-452, Use Tax Return. Individuals may also use Form SU-452 or use this worksheet. Do not include purchases already reported on those forms on this worksheet. To determine whether items purchased are subject to use tax, please refer to the Department website at tax.vermont.gov.

Homestead Declaration and Property Tax Credit

FORM HS-122 SECTION A Vermont Homestead Declaration

THE HOMESTEAD DECLARATION must be filed each year by Vermont residents for purposes of the state education tax rate. The Declaration identifies the property as the homestead of the Vermont resident. A Vermont homestead is taxed at the homestead education property tax rate, while a different education property tax rate applies to nonhomestead property (previously known as the “nonresidential” rate). Nonhomestead property is property used for commercial purposes or property not used as the principal (primary) residence, such as a second home, camp, or summer cottage. A property may be classified as both homestead and nonhomestead. This occurs when a part of the home is used for commercial purposes or as a rental. The property tax bill will show a homestead education property tax rate and a nonhomestead education property tax rate. For more information on the Homestead Declaration, please visit our website tax.vermont.gov for our quick reference guides and statutes.

You must file a declaration by April 15, 2025, if you meet all of the following eligibility requirements:

1. Own the Vermont property as your principal residence as of April 1, 2025, **AND**
2. Expect to physically occupy the Vermont property as your domicile. The declaration must be filed even if it is late. **NOTE:** If you meet these requirements, except that your homestead is leased to a tenant on April 1, 2025, you may still claim it as a homestead if it is not leased for more than 182 days in the calendar year. Other ownership circumstances include the following:
 - When there is more than one owner (joint ownership), only one owner occupant should file.
 - Owners with a life estate interest who occupy the dwelling as their principal residence must file.
 - Certain trusts may qualify as a homestead. For more information, read [Reg. § 1.5401\(7\)](#) Homestead on our website. Please note that changes to this regulation are being proposed to conform to amendments made to this statute.
 - An estate holding a residence that was the homestead of the deceased person at the time of death may file a homestead if the residence is not rented.
 - When the residence is owned by the estate of the deceased spouse, the widow or widower may file a homestead declaration as long as it is likely that the residence will pass to the widow or widower when the estate is settled.

Homestead Declarations filed **by April 15, 2025**, are considered timely, classified as homesteads on the grand list, and taxed at the homestead education property tax rate.

Homestead Declarations filed **after April 15, 2025**, are classified as homesteads but may be assessed the following penalty by the town:

- Up to 3% if the nonhomestead rate is higher than the homestead education property tax rate.
- Up to 8% if the nonhomestead rate is lower than the homestead education property tax rate.

Homestead Declarations filed **after Oct. 15, 2025**, will be classified as nonhomestead. The owner will be charged the higher of the two rates, assessed a penalty, and must pay any additional property tax and interest due.

What if you SELL your property before April 1, 2025? If you filed a Homestead Declaration and Property Tax Credit Claim before April 1, 2024, you must withdraw the declaration and claim using Form HS-122W, available on our website.

What if you rent your homestead on April 1 and occupy it yourself for fewer than 183 days in the calendar year? You must withdraw the declaration using Form HS-122W, Vermont Homestead Declaration and/or Property Tax Credit Withdrawal. Form HS-122W is available on our website. If you occupy your home fewer than 183 days, you are disqualified from filing both the Homestead Declaration and the Property Tax Credit Claim.

Specify the type of income you are reporting on the indicated line.

Line i	Business income Enter income attributable to a business. If there is a business loss, leave blank. For taxpayers filing Married Filing Jointly, where both spouses have business income or loss from sole proprietorships, enter the amount from federal Form 1040 or leave blank if a negative, in the Claimant column.
Line j	Capital gains Report nontaxable gains from the sale of your home and gains from federal Schedule D, Capital Gains and Losses: A capital loss carryforward cannot be used to offset a current year capital gain. Add back federal Schedule D, Lines 6 and 14 to Line 16. This cannot be less than zero (0). Exception: A business loss may offset a capital gain on the sale of the business' property provided all three of the following are true for the business: (1) the loss and capital gain are for the same business; (2) the IRS requires the capital gain to be reported; and (3) the business loss and capital gain from the sale of the business's property both occurred in the 2024 tax year. If the offset of the capital gain by the loss creates a negative amount, leave blank. A capital loss cannot offset business income.
Line k	Taxable pensions, annuities, IRAs, and retirement fund distributions Enter the income from retirement, deferred compensation plans, and annuities as reported on federal Form 1040. Household income includes non-qualified distributions from retirement and deferred compensation plans and both taxable and nontaxable federal pension and annuity benefits.
Line l	Rental and Royalty income Enter the income from each rental property you own as reported on federal Schedule E, Supplemental Income and Loss, Part I. Each rental property stands on its own. A loss generated by one property may not be used to reduce income from a different property. Room and board payments received as difficulty of care payments for a member of your household are rental income and must be reported on this line. Report royalty income from federal Form 1099-MISC, Miscellaneous Income, 1099-S, Proceeds from Real Estate Transactions; Schedule K-1, Share of Income Deductions, Credits, etc.; or federal Schedule E, Supplemental Income and Loss, Part I.
Line m	Income from Partnerships, S Corporations, LLCs, Farms, Trusts and Estates Federal Schedule K-1 pass-through income as required to be reported on federal Schedules E and/or F, Profit or Loss from Farming. Report ordinary business income, rental income and guaranteed payments from K-1 on this line. The loss from one K-1 cannot offset income from another K-1. A loss is reported as -0-. See Line j instructions for the only provision allowing netting of a business loss.
Line n	Other income Sources of other income include, but are not limited to, prizes and awards, gambling or lottery winnings, director's fees, employer allowances, taxable refunds from federal Form 1040, allowances received by dependents of armed service personnel and military subsistence payments (Basic Allowance for Housing, flexible spending arrangement or account), loss of time insurance, cost of living adjustment paid to federal employees, and other gains from federal Form 1040. Report on this line income reported to you on federal Form 1099-MISC or W-2G, Certain Gambling Winnings. For more information on military income, see GB-1099, Vermont Tax Guide for Military and National Services , available on the Department's website.
Line o	Add items a through n by column. Carry those amounts over to the top of the next page.

Adjustments to Income:

The following adjustments to household income may be made for each member of the household.

Line p **Social Security and Medicare Tax Withheld and Railroad Retirement Tier 1 and Self-Employment Tax on Income Reported** Social Security and Medicare, or equivalent tier 1 payroll tax payments are deducted from household income, but only to the extent that the salary and wages are included in household income. Examples:

- 1. Deferred compensation** – If you made a deferred compensation contribution for the tax year, the amount of the contribution is not included in the federal Adjusted Gross Income as stated on Form W-2, Box 1, Wage and Tax Statement. The Social Security and Medicare taxes on Form W-2 must be reduced for the purposes of reporting household income on Schedule HI-144. Generally, this amount is 7.65% of the amount stated on Form W-2, Box 1.
- 2. Military pay** – Multiplying the amount stated on Form W-2, Box 1, by 7.65% provides the correct value for this deduction.
- 3. Allocated tips** – In addition to the figures included on Form W-2, add the Social Security and Medicare payments you made as the result of completing federal Form 4137, Social Security and Medicare Tax On Unreported Tip Income.

Self-Employed Social Security and Medicare Taxes Paid Self-employed claimants may subtract from household income the amount from federal Schedule SE, Self-Employment Tax, Part I, Line 12, that represents the Social Security and Medicare taxes paid for 2024 for income reported on Schedule HI-144. For income not required to be reported upon which Social Security and Medicare taxes were paid, multiply the income not reported on Schedule HI-144 by 15.3% and subtract the result from the federal Schedule SE amount. The amount of Social Security and Medicare taxes reported on this line includes the allowable deduction for one-half self-employment tax on federal Form 1040, Schedule 1, Line 15. You may be asked for a copy of your federal Schedule SE.

Line q	Child support paid Report only those payments for which receipts or other evidence of payment is available. This evidence may include cancelled checks or a statement from the Office of Child Support in addition to the name and Social Security Number of the parent receiving the payment.
Line r	Allowable Adjustments from federal Schedule 1. The following expenses may be subtracted from income. r1. Certain business expenses of reservists r2. Alimony paid r3. Self-employed health insurance deduction r4. Health savings account deduction
Line s	Add Lines p, q, and the total of Lines r1 through r4 for each column.
Line t	Subtract the total adjustments on Line s from the total income on Line o for each column. The adjustments for any individual in your household cannot exceed the income of that individual. If Line o minus Line s is negative, enter -0-.
Line u	Add columns 1, 2, and 3 and enter sum. Entry cannot be less than zero (0).
Line v	For claimants under the age of 65 as of Dec. 31, 2024, enter the total interest and dividends for all household members reported on Lines e and f in each column.
Line w	Add the three columns on Line v.
Line x	For purposes of calculating the Property Tax Credit, household income is increased by the household total of interest and dividend income greater than \$10,000. Refer to 32 V.S.A. § 6061(5)(E) .
Line y	Subtract Line x from Line w. If Line x is more than Line w, enter -0-.
Line z	Household Income Add Line u and Line y. Enter this figure on Form HS-122.

SPECIAL SITUATIONS

Deceased Homeowner

Property Tax Credit: An estate cannot make a Property Tax Credit Claim on behalf of a deceased homeowner. If a homeowner files a Property Tax Credit Claim for themselves, but dies prior to April 1, 2025, the claim will be paid. However, if the estate files on behalf of a deceased homeowner in error, the claim should be withdrawn using Form HS-122W. If the claim is paid to the town, the estate will be held responsible for repaying any credit issued. If the homeowner filed a Property Tax Credit Claim between January 1 and March 31 and dies after April 1, 2025, the commissioner may pay the credit to the town on behalf of the deceased taxpayer.

An estate may continue classification of the property as a homestead until the following April provided the property was the deceased homeowner's homestead at the time of death and the property is not rented.

Delinquent Property Tax The 2025 property tax credit applies to the current year property tax. The municipality may use any remaining credit towards penalty, interest, or prior year property taxes.

Nursing Home or Residential Care If the homeowner is age 62 or older and another owner who also lived in the homestead is the homeowner's spouse/civil union partner or sibling and has moved indefinitely from the homestead to a nursing home or residential care facility, the homeowner makes the Property Tax Credit Claim with 100% ownership. This applies **only if** the spouse/civil union partner or sibling does not make a Renter Credit Claim or the spouse/civil union partner or sibling does not make a Property Tax Credit Claim for the same homestead.

If the homeowner has moved to a nursing home or residential care facility, a Property Tax Credit Claim may be made if there is a reasonable likelihood that the homeowner will be returning to the homestead and the homeowner does not make a Renter Credit Claim. The Department may ask for a doctor's certificate to help determine whether the nursing home or residential care facility is a temporary location.

Renting at the End of the Year You may be eligible for a Renter Credit Claim for rent paid in 2024 under the following circumstances: **1)** If you owned a Vermont homestead in 2024, **2)** sold the homestead before April 1, 2024, **3)** withdrew or did not file a 2024 Property Tax Credit Claim and **4)** rented between the date of the sale and Dec. 31, 2024.

OWNERSHIP SITUATIONS

Homeowner Age 62 or Older in 2024 If the homeowner shares ownership of the homestead with their descendant(s), the homeowner may claim 100% ownership interest on the Property Tax Credit Claim, even if the other owners (descendants) do not live in the homestead. The Department may request a letter of explanation.

Divorced or Legally Separated Joint Owners When the divorce decree or court order has declared a specific percentage of home ownership for the purpose of property taxes, you must use that percentage if the following apply: **1)** you are divorced or legally separated from your spouse/civil union partner; **2)** your name and the name of the spouse/civil union partner from whom you are divorced or legally separated remain on the deed; and **3)** you are awarded possession of the home. If the divorce decree or court order does not specify responsibility for the property taxes, the person

residing in the homestead uses 50% ownership interest. The person not living in the homestead cannot make a Property Tax Credit Claim.

The Department may ask for a copy of your court documents.

Duplex Housing *Both owners occupy the building as their principal residence.* The eligible housesite education property tax is the tax on the portion owned by each homeowner. If the town issues a property tax bill to each homeowner for their portion of the homestead, use the housesite value, housesite property tax, and 100% ownership interest. If the property tax bill is for the total property, prorate the housesite value, housesite property tax, and ownership interest. *Only one owner occupies the building as their principal residence.* The owner occupying the duplex as their principal residence must prorate for the other owner's interest.

Entity Ownership Property owned by a C or S corporation, partnership, or limited liability company cannot be claimed as an individual's homestead and is not eligible for property tax credit. The only exception is for a homestead located on a farm. Read [Reg. § 1.5401\(7\)-Homestead](#) at tax.vermont.gov/regulations.

Life Estate A person who holds a life estate interest in a property that they occupy as a principal residence may make a Property Tax Credit Claim as if the life estate holder was the owner of the property. The deed does not have to be attached to the Property Tax Credit Claim but must be available for review upon Department request.

Trust Ownership A dwelling owned by a trust is not the homestead of the beneficiary unless the claimant is the sole beneficiary of the trust **and** one of the following:

1. The claimant or the claimant's spouse was the grantor of the trust, and the trust is revocable or became irrevocable solely by reason of the grantor's death;

OR

2. The claimant is the parent, grandparent, child, grandchild or sibling of the grantor; the claimant is mentally disabled or severely physically disabled; and the grantor's modified Adjusted Gross Income is included in the household income calculation.

The term "sole beneficiary" is satisfied if the homeowner and the spouse/civil union partner are the only beneficiaries of the trust. A property owned by an irrevocable trust cannot be a homestead except as stated in (1) above. The trust document does not have to be attached to the Property Tax Credit Claim but must be available for review upon Department request.

BUYING and SELLING PROPERTY

Buying after April 1, 2024 For property purchased as your principal residence, you need to file a 2025 Homestead Declaration. If you are eligible to make a 2025 Property Tax Credit Claim and the property was declared as a homestead, use the seller's 2024/2025 property tax bill. If the property was not a homestead in 2024, ask the town for the housesite value and the property taxes on the housesite as if it was a homestead in 2024.

Property Transactions after April 1, 2025 The property tax credit stays with the property. In the case of the sale or transfer of a residence, any property tax credit amounts related to that residence shall be allocated to the seller at closing unless the parties agree otherwise.

NEW CONSTRUCTION

New homestead construction that was built after April 1, 2024, and is owned and occupied as a principal residence on April 1, 2025, must file Form HS-122 Homestead Declaration. Eligible homeowners may make a 2025 Property Tax Credit Claim. The claim will be based on the value of the parcel as of April 1, 2024.
