What is Local Option Meals and Rooms Tax?

The State of Vermont has authorized certain municipalities to assess an additional 1.0% Local Option Meals, Rooms and/or Alcoholic Beverages Tax. Local Option Tax applies to meals, rooms, or alcoholic beverages furnished in a Local Option municipality. Local Option Tax is destination-based. This means the tax is based on the location where the item is delivered or consumed. Delivery charges are subject to state Sales, Meals, and/or Alcoholic Beverages and Local Option taxes. Delivery charges are subject to the highest applicable tax rate unless separately stated on the receipt or invoice.

If you are required to report Local Option Meals and Rooms Tax, you must file through **myVTax**.

City Charter Meals, Entertainment and Lodging Tax

Two Vermont cities have meals, entertainment, and/or lodging taxes authorized by their city charters.

- Burlington, Vermont
- Rutland City, Vermont

They administer and collect the tax. If you conduct business in Burlington or Rutland City, contact the city for information about collecting and remitting the tax.

Tax Rate

Meals, rooms, and non-alcoholic beverages are taxed at 9.0%.

Alcoholic beverages are taxed at 10.0%.
