

WE WANT YOUR FEEDBACK!

ATTENTION LISTERS AND ASSESSORS; CLERKS AND TREASURERS:

This listening tour is part of our major effort to collect as much information as possible from you about the future of Grand List software for the State of Vermont.

As the users of this system, and our partners in this important work, it is critical that we hear from you about what is working, what you want to change, and how we can maximize our limited resources to get you what you need.

Thank you for attending! Have something more to say? Let us know! Write any comments, questions, concerns below and leave them with us, or send your thoughts to us via email at: tax.pvr@vermont.gov.

What is working well? What do you hope we can continue doing?

What is not working well now?

What specific tools or abilities do you wish you had to carry out your work? Have you seen examples of better ways to do things?

What is your biggest concern about getting a new program?

What is your biggest hope about getting a new program?

Any additional comments:

THANK YOU!
