Be on Guard against Identity Theft and Tax Scams

Identity theft, tax refund fraud, and similar tax scams continue to target taxpayers in Vermont. Taxpayers have reported emails and phone calls from people posing as employees of the Internal Revenue Service (IRS) and the Vermont Department of Taxes. Some scammers are clever enough to pose as their victims' tax preparers to obtain private information. A common ploy scammers use is to falsely claim taxes are owed and demand immediate payment using threats and bullying. Scammers often target the elderly using these tactics.

How to protect yourself from becoming a victim

- Never give out personal information unless you are sure of the identity of the person requesting it.
- If you suspect that an email or phone call is fraudulent, do not engage in conversation. Contact the Department at 802-828-2865 or 1-866-828-2865 (toll-free) to verify an email or phone call.

How to report fraud

- Report suspected fraud immediately to the Vermont Department of Taxes and the IRS. Information about how to report fraud is available on the Department website at tax.vermont.gov/identity-theft.
- Suspected fraud also should be reported to the Vermont Attorney General's Consumer Assistance Program at (800) 649-2424 (toll-free).

General Instructions

Requirement to File a Vermont Income Tax Return

A 2020 Vermont Income Tax Return must be filed by all full-year or part-year Vermont residents or a nonresident if you are required to file a 2020 federal income tax return, **AND**

- You earned or received more than \$100 in Vermont income,
- OR**
- You earned or received gross income of more than \$1,000 as a nonresident. Read Vermont law at 32 V.S.A. § 5861 and § 5823(b) for information on sources of income.

Visit our website for more information.

Due Date

The 2020 Vermont Income Tax Return must be filed by April 15, 2021.

Timely Filing

Tax returns mailed through the U.S. Post Office are considered to be submitted on time if we receive them at the Department **within three business days after the due date**. Electronic filings transmitted on the due date are on time if the Department receives them by midnight of the due date.

Late Filing Penalty and Interest after the April Due Date

A Vermont income tax return can be filed up to 60 days after April 15, 2021, even if you have not filed an extension of time to file. However, if you file the return on the 61st day after the due date or later, the Department will assess a \$50 late file penalty. Late payment penalty and interest accrue after the April 15th due date.

Filing an Extension for the Vermont Income Tax Return

To receive a six-month extension of time to file your 2020 Income Tax Return, you must file Form IN-151, Application for Extension of Time to File Form IN-111, on or before the due date of April 15. An extension only allows additional time to file your income tax return. It does not extend the due date for your tax payment. Interest and penalty accrue on any tax due from April 16 to the date the Department receives your payment of tax. Extensions can be filed online at myVTax.vermont.gov.

Due dates: Extension requests must be filed by April 15, 2021.
Extended returns must be filed by Oct. 15, 2021.

NOTE: There is no extension of time to file a homestead declaration or property tax credit.

Use Whole Dollars

Round entries to the nearest whole dollar. The cents are preprinted with zeroes.

Use Only Blue or Black Ink on Paper Forms

If you are completing a paper form, use only blue or black ink. Please print legibly. If the Department cannot read your forms, we will not process them and they will be considered unfiled. You will receive a letter to refile. Then, you must resubmit properly completed, legible returns. See “Forms That Cannot Be Processed” below for more information.

Late Filing Penalty and Interest after the Extended Due Date

If you have filed an extension but do not file by the Oct. 15, 2021, extended due date, the Department will charge a \$50 late file penalty. Late payment penalty and interest accrue after the April due date. **NOTE:** The late filing penalty applies regardless if you have a refund or no tax is due. If any tax is due and is not paid by the April 15 due date, late payment penalty and interest charges also apply.

Incomplete Forms

If information necessary to support the request for a credit is missing, your filing may be processed but the credit denied. This may result in a bill or reduced refund. The Department will send you a letter requesting the missing information and give you an opportunity to supply what we've requested. The credit will not be processed until the Department receives the missing document(s) or information.

Forms That Cannot Be Processed

If your filing is not acceptable for processing, the Department will notify you by letter, and you will be required to submit it again. The date you resubmit the forms becomes the filing date of your return. The Department may assess a \$25 processing fee to partially cover the cost of taking steps to notify you in addition to our normal processing procedures. Examples of unacceptable filings include, but are not limited to, the following: forms marked “draft” or “do not file,” forms not pre-approved by the Department, photocopies of forms, reduced or enlarged forms, faxed forms, forms not written in blue or black ink, forms generated from different sources, or returns emailed to the Department.

Homestead Declaration

Under Vermont law, every Vermont resident whose property meets the definition of a “homestead” must file a Homestead Declaration annually. A homestead is the principal dwelling and parcel of land surrounding the dwelling. It is your responsibility as the property owner to claim the property as a homestead if you meet, or expect to meet, the following requirements: **1)** you are a Vermont resident, and **2)** you own and occupy a homestead as your domicile as

of April 1, 2021. **NOTE:** If you meet these requirements but your homestead is leased to a tenant on April 1, 2021, you may still claim it as a homestead if it is not leased for more than 182 days in the calendar year. For definitions of “domicile,” “resident,” and “nonresident,” see our website.

Due date: The Homestead Declaration must be filed by April 15, 2021, to avoid penalties for late filing.

Property Tax Credit Claim

Vermont homeowners may be eligible for a credit against their 2021/2022 Vermont property tax. The 2021 Property Tax Credit is based on 2020 household income and 2020/2021 property tax. A homeowner may be eligible for a credit if **all four** of the following requirements are met:

1. Filed a valid Homestead Declaration
2. Domiciled in Vermont all of calendar year 2020
3. Not claimed as a dependent by another taxpayer for tax year 2020
4. Had household income in 2020 up to \$138,500 (Determine household income by completing Schedule HI-144.)

Due date: The Property Tax Credit Claim due date is April 15, 2021 but may be late filed up to Oct. 15, 2021 with penalty for late file.

Renter Rebate Claim

Vermont renters may be eligible for a rebate based on the portion of rent paid that exceeds an established percentage of household income. A renter may be eligible for a rebate if **all five** of the following requirements are met:

1. Domiciled in Vermont for the entire calendar year 2020
2. Not claimed in 2020 as a dependent of another taxpayer
3. Is the only person in the household filing a Renter Rebate Claim
4. Rented in Vermont for all 12 months in 2020. (See Schedule HI-144 Instructions “Renting at the End of the Year” for the only exception.)
5. Had household income in 2020 of \$47,000 or less (Determine household income by completing Schedule HI-144.)

Due date: The Renter Rebate Claim due date is April 15, 2021 but can be late filed up to Oct. 15 with no penalty for late filing.

Frequently Asked Questions

I received a request for more information. Did I do something wrong?

We may ask you to supply additional information to explain items on your Vermont income tax return. A request for more information does not necessarily mean that you filed improperly or that you have been selected for an audit. This type of request is a routine part of processing. **It is important that you respond promptly with the requested information.** Your return cannot be processed until the Department receives the information requested. For faster processing time, you may submit the requested information at myVTax.vermont.gov.

Can my refund be taken to pay another debt?

Your income tax refund will be taken to pay a bill that you or your spouse/civil union partner owe to the Vermont Department of Taxes and/or other government agencies such as the Internal Revenue Service, Office of Child Support, Department of Corrections, Vermont courts, student loan agencies, Vermont state colleges, and tax agencies of other states. This is known as an “offset.” We will notify you in writing if your refund is used as an offset to pay an outstanding debt.

Am I responsible for a tax debt owed by my spouse/civil union partner?

If you file a joint return with your spouse/civil union partner and believe tax debt owed by your spouse/civil union partner may reduce your portion of the refund, you may file an “injured spouse” claim. For more information, visit tax.vermont.gov/individuals/injured-spouse.

To make an injured spouse claim when filing a paper return, please send the following documents **before you file your return:**

1. A signed letter with details of your claim
2. Copy of federal Form 8379 (if you filed one with the IRS)
3. Copies of federal Schedules C and SE (if you filed one with the IRS)
4. Form 1099G for unemployment if received in 2020

Mail to: ATTN: Injured Spouse Unit
Vermont Department of Taxes
PO Box 1645
Montpelier, VT 05601-1645

I cannot pay my tax debt due to financial difficulties. What can I do?

If you cannot pay your entire Vermont income tax due, file your return on time and pay as much as you can. Once the Department has issued the first notice of intent to assess for underpayment of tax you may apply for a payment plan on myVTax.vermont.gov or you can write the Department to apply for a payment plan.

Mail to: ATTN: Compliance
Vermont Department of Taxes
PO Box 429
Montpelier, VT 05601-0429

Do not include your written request with your return.

We may ask you for financial information to determine the appropriate payment plan. Without a payment plan, unpaid income tax will result in collection action which may include the imposition of liens, court action, wage garnishment, bank levies, revocation of your business and/or professional license(s), imposition of a bond on your authority to do business, and the assignment of your debt to a private collection agency.

How do I claim a refund on my Vermont withholding or estimated tax payments?

You must file a Vermont Income Tax Return to claim a refund of Vermont withholding or estimated tax payments. You have up to three years from the due date of the return, including extensions, to file a claim for overpayment of tax due.

How do I correct a mistake or add information to my Vermont Income Tax Return?

You are required to file an amended Vermont return within 60 days of the following: **1)** you become aware of a change to your Vermont income; **2)** you file an amended return with the IRS; or **3)** you receive a notice of change from the IRS.

Check the “AMENDED” box on Form IN-111 when filing an amended return for the applicable tax year. Please include the following documents with your amended return:

1. A copy of federal Form 1040X, Amended U.S. Individual Income Tax Return
2. Your amended federal Form 1040, U.S. Individual Income Tax Return, with all schedules
3. Your amended Vermont Form IN-111 with all schedules even if there is no change on the schedules

NOTE: If you filed a Property Tax Credit Claim or Renter Rebate Claim, you must also amend your income on Schedule HI-144, Household Income.

What is Use Tax?

When a seller does not charge the buyer Vermont Sales Tax on an item taxable in Vermont, the buyer must pay Vermont Use Tax. Non-taxable items such as food and clothing are excluded. Taxable items sold over the internet, by mail-order, by phone, or bought out-of-state and used in Vermont generally qualify. Use tax applies whether you are a resident or nonresident. The use tax rate is the same as the sales tax rate: 6%.

USE TAX WORKSHEET

Did you buy taxable items without paying Vermont Sales Tax? This includes orders over the internet, by mail, or by phone on which you did not pay Vermont Sales Tax. This also includes out-of-state purchases on which you paid tax at a rate **less than 6%**, including purchases of liquor to be consumed in Vermont.

Any amount reported on this line will be deducted from your total refund amount. The state will include an additional 1% to the amount of the refund that is credited to your property taxes. For details of this credit, read “State Property Tax Incentive” in Vermont law at 32 V.S.A. § 6066(h).

Line 28 **Refund Amount.** Subtract the sum of Lines 27a and 27b from Line 26 and enter the result. This is the amount of the refund to be sent to you. If you owe interest and penalty for underpayment of estimated income tax payment, this amount will be subtracted from the refund. *Direct deposit is available for most electronically filed returns.* All paper filed returns with refund requests will receive a paper check.

NOTE: If you owe taxes or a debt to another state agency, all or part of the refund may be taken to pay the bill.

Both worksheets are available on our website. The paper worksheets can be obtained by calling (802) 828-2515. If you have a refund, the underpayment, interest, and penalty will be deducted. Estimated tax payments must either be: **1)** equal to 100% of last year’s tax liability **OR** **2)** 90% of this year’s tax liability. If the tax liability due, less withholding, is less than \$500, you will not be subject to penalty or interest charges. In order to avoid underpayment of estimated tax, see instructions on Form IN-114, Individual Income Estimated Tax Payment Voucher.

Homestead Declaration and Property Tax Credit

FORM HS-122 SECTION A Vermont Homestead Declaration

THE HOMESTEAD DECLARATION must be filed each year by Vermont residents for purposes of the state education tax rate. The Declaration identifies the property as the homestead of the Vermont resident. A Vermont homestead is taxed at the homestead education property tax rate, while a different education property tax rate applies to nonhomestead property (previously known as the “nonresidential” rate). Nonhomestead property is property used for commercial purposes or property not used as the principal (primary) residence, such as a second home, camp, or summer cottage. A property may be classified as both homestead and nonhomestead. This occurs when a part of the home is used for commercial purposes or as a rental. The property tax bill will show a homestead education property tax rate and a nonhomestead education property tax rate. For more information on the Homestead Declaration, please visit our website tax.vermont.gov for our quick reference guides and statutes.

You must file a declaration by April 15, 2021, if you meet all of the following eligibility requirements:

1. Own the Vermont property as your principal residence as of April 1, 2021, **AND**
2. Expect to physically occupy the Vermont property as your domicile. The declaration must be filed even if it is late. **NOTE:** If you meet these requirements, except that your homestead is leased to a tenant on April 1, 2021, you may still claim it as a homestead if it is not leased for more than 182 days in the calendar year. Other ownership circumstances include the following:
 - When there is more than one owner (joint ownership), only one owner occupant should file.
 - Owners with a life estate interest who occupy the dwelling as their principal residence must file.
 - Certain trusts may qualify as a homestead. For more information, read Reg. § 1.5401(7) Homestead on our website. Please note that changes to this regulation are being proposed to conform to amendments made to this statute.
 - An estate holding a residence that was the homestead of the deceased person at the time of death may file a homestead if the residence is not rented.
 - When the residence is owned by the estate of the deceased spouse, the widow or widower may file a homestead declaration as long as it is likely that the residence will pass to the widow or widower when the estate is settled.

Homestead Declarations filed **by April 15, 2021**, are considered timely, classified as homesteads on the grand list, and taxed at the homestead education property tax rate.

Homestead Declarations filed **after April 15, 2021**, are classified as homesteads but may be assessed the following penalty by the town:

- Up to 3% if the nonhomestead rate is higher than the homestead education property tax rate.
- Up to 8% if the nonhomestead rate is lower than the homestead education property tax rate.

Exception: A business loss may offset a capital gain on the sale of the business’s property provided all three of the following are true for the business: (1) the loss and capital gain are for the same business; (2) the IRS requires the capital gain to be reported; and (3) the business loss and capital gain from the sale of the business’s property both occurred in the 2020 tax year. Adjustments to Income:

The following adjustments to household income may be made for each member of the household.

Line p **Social Security and Medicare Tax Withheld and Self-Employment Tax on Income Reported** Social Security and Medicare payroll tax payments are deducted from household income, but only to the extent that the salary and wages are included in household income. Please see the examples that follow:

- 1. Deferred compensation** – If you made a deferred compensation contribution for the tax year, the amount of the contribution is not included in the federal Adjusted Gross Income as stated on Form W-2, Box 1, Wage and Tax Statement. The Social Security and Medicare taxes on Form W-2 must be reduced for the purposes of reporting household income on Schedule HI-144. Generally, this amount is 7.65% of the amount stated on Form W-2, Box 1.
- 2. Military pay** – Multiplying the amount stated on Form W-2, Box 1, by 7.65% provides the correct value for this deduction.
- 3. Allocated tips** – In addition to the figures included on Form W-2, add the Social Security and Medicare payments you made as the result of completing federal Form 4137, Social Security and Medicare Tax On Unreported Tip Income.

Self-Employed Social Security and Medicare Taxes Paid Self-employed claimants may subtract from household income the amount from federal Schedule SE, Self-Employment Tax, Part I, Line 12, that represents the Social Security and Medicare taxes paid for 2020 for income reported on Schedule HI-144. For income not required to be reported upon which Social Security and Medicare taxes were paid, multiply the income not reported on Schedule HI-144 by 15.3% and subtract the result from the federal Schedule SE amount. The amount of Social Security and Medicare taxes reported on this line includes the allowable deduction for one-half self-employment tax on federal Form 1040, Schedule 1, Line 14. You may be asked for a copy of your federal Schedule SE.

Line q	Child support paid Report only those payments for which receipts or other evidence of payment is available. This evidence may include cancelled checks or a statement from the Office of Child Support in addition to the name and Social Security Number of the parent receiving the payment.
Line r	Allowable Adjustments from federal Schedule 1. The following expenses may be subtracted from income. <ul style="list-style-type: none"> r1. Certain business expenses of reservists r2. Alimony paid r3. Self-employed health insurance deduction r4. Health savings account deduction r5. Tuition and Fees as federally allowed
Line s	Add Lines p, q, and the total of Lines r1 through r5 for each column.
Line t	Subtract the total adjustments on Line s from the total income on Line o for each column. The adjustments for any individual in your household cannot exceed the income of that individual. If Line o minus Line s is negative, enter -0-.
Line u	Add columns 1, 2, and 3 and enter sum. Entry cannot be less than zero (0).
Line v	For claimants under the age of 65 as of Dec. 31, 2020, enter the total interest and dividends for all household members reported on Lines e and f in each column.
Line w	Add the three columns on Line v.
Line x	For purposes of calculating the Property Tax Credit or Renter Rebate Claim, household income is increased by the household total of interest and dividend income greater than \$10,000. Refer to V.S.A. § 6061(e).
Line y	Subtract Line x from Line w. If Line x is more than Line w, enter -0-.
Line z	Household Income. Add Line u and Line y. Enter this figure on Form HS-122 or Form PR-141.

SPECIAL SITUATIONS

Deceased Homeowner

Property Tax Credit: An estate cannot make a Property Tax Credit Claim on behalf of a deceased homeowner. If a homeowner files a Property Tax Credit Claim, but dies prior to April 1, 2021, the estate must withdraw the claim using Form HS-122W. The estate is responsible to repay any credit issued. If the homeowner filed a Property Tax Credit Claim between January 1 and March 31 and dies after April 1, 2021, the commissioner may pay the credit to the town on behalf of another member of the household with ownership interest.

An estate may continue classification of the property as a homestead until the following April provided the property was the deceased homeowner's homestead at the time of death and the property is not rented.

Delinquent Property Tax The 2021 property tax credit applies to the current year property tax. The municipality may use any remaining credit towards penalty, interest, or prior year property taxes.

Nursing Home or Residential Care If the homeowner is age 62 or older and another owner who also lived in the homestead is the homeowner's spouse/civil union partner or sibling and has moved indefinitely from the homestead to a nursing home or residential care facility, the homeowner makes the Property Tax Credit Claim with 100% ownership. This applies **only if** the spouse/civil union partner or sibling does not make a Renter Rebate Claim or the spouse/civil union partner or sibling does not make a Property Tax Credit Claim for the same homestead.

If the homeowner has moved to a nursing home or residential care facility, a Property Tax Credit Claim may be made if there is a reasonable likelihood that the homeowner will be returning to the homestead and the homeowner does not make a Renter Rebate Claim. The Department may ask for a doctor's certificate to help determine whether the nursing home or residential care facility is a temporary location.

Renting at the End of the Year You may be eligible for a Renter Rebate Claim for rent paid in 2020 under the following circumstances: **1)** If you owned a Vermont homestead in 2020, **2)** sold the homestead before April 1, 2020, **3)** withdrew or did not file a 2020 Property Tax Credit Claim and **4)** rented between the date of the sale and Dec. 31, 2020. To qualify for a renter rebate, your household income must be \$47,000 or less. **NOTE: This is the only situation where a renter rebate can be claimed for fewer than 12 months.**

OWNERSHIP SITUATIONS

Homeowner Age 62 or Older in 2020 If the homeowner shares ownership of the homestead with his or her descendant(s), the homeowner may claim 100% ownership interest on the Property Tax Credit Claim, even if the other owners (descendants) do not live in the homestead. The Department may request a letter of explanation.

Divorced or Legally Separated Joint Owners When the divorce decree or court order has declared a specific percentage of home ownership for the purpose of property taxes, you must use that percentage if the following apply: **1)** you are divorced or legally separated from your spouse/civil union partner; **2)** your name and the name of the spouse/civil union partner from whom you are divorced or legally separated remain on the deed; and **3)** you are awarded possession

of the home. If the divorce decree or court order does not specify responsibility for the property taxes, the person residing in the homestead uses 50% ownership interest. The person not living in the homestead cannot make a Property Tax Credit Claim.

The Department may ask for a copy of your court documents.

Duplex Housing *Both owners occupy the building as their principal residence.* The eligible housesite education property tax is the tax on the portion owned by each homeowner. If the town issues a property tax bill to each homeowner for his or her portion of the homestead, use the housesite value, housesite property tax, and 100% ownership interest. If the property tax bill is for the total property, prorate the housesite value, housesite property tax, and ownership interest. *Only one owner occupies the building as his or her principal residence.* The owner occupying the duplex as his or her principal residence must prorate for the other owner's interest.

Entity Ownership Property owned by a C or S corporation, partnership, or limited liability company cannot be claimed as an individual's homestead and is not eligible for property tax credit. The only exception is for a homestead located on a farm. Read Reg. § 1.5401(7)-Homestead at tax.vermont.gov/regulations.

Life Estate A person who holds a life estate interest in a property that he or she occupies as a principal residence may make a Property Tax Credit Claim as if the life estate holder was the owner of the property. The deed does not have to be attached to the Property Tax Credit Claim but must be available for review upon Department request.

Trust Ownership A dwelling owned by a trust is not the homestead of the beneficiary unless the claimant is the sole beneficiary of the trust **and** one of the following:

1. The claimant or the claimant's spouse was the grantor of the trust, and the trust is revocable or became irrevocable solely by reason of the grantor's death;

OR

2. The claimant is the parent, grandparent, child, grandchild or sibling of the grantor; the claimant is mentally disabled or severely physically disabled; and the grantor's modified Adjusted Gross Income is included in the household income calculation.

The term "sole beneficiary" is satisfied if the homeowner and the spouse/civil union partner are the only beneficiaries of the trust. A property owned by an irrevocable trust cannot be a homestead except as stated in (1) above. The trust document does not have to be attached to the Property Tax Credit Claim but must be available for review upon Department request.

BUYING and SELLING PROPERTY

Buying after April 1, 2020 For property purchased as your principal residence, you need to file a 2021 Homestead Declaration. If you are eligible to make a 2021 Property Tax Credit Claim and the property was declared as a homestead, use the seller's 2020/2021 property tax bill. If the property was not a homestead in 2020, ask the town for the housesite value and the property taxes on the housesite as if it was a homestead in 2020.

Property Transactions after April 1, 2021 The property tax credit stays with the property. In the case of the sale or transfer of a residence, any property tax credit amounts related to that residence shall be allocated to the seller at closing unless the parties agree otherwise.

NEW CONSTRUCTION

New homestead construction that was built after April 1, 2020, and is owned and occupied as a principal residence on April 1, 2021, must file Form HS-122 Homestead Declaration. Eligible homeowners may make a 2021 Property Tax Credit Claim. The claim will be based on the value of the parcel as of April 1, 2020.
